Deutsche Schlager!  
mit  
**EUROPA**

Thank you for buying our latest CD, Deutsche Schlager! This title translates into English as 'German Hits' which were vocal pop songs from the 50's and 60's and were developed as a unique and distinct style of music in Germany. This is our 4th CD as a group, and we're pleased to be able to share more of our music with you, our dedicated fans. This collection of songs are from before, during and after the initial Schlager era, and have that unique feel. That's why we call them 'Schlager mit Gute Laune' (Hits with good feelings of fun and happiness)

If you like to dance, you'll be able to grab your partner and hit the floor as we feature many of our favorite German dance numbers recorded to our own unique arrangements and instrumentation. We hear a lot from Johann on Trumpet as he arranged and recorded all of the trumpet parts you hear, along with some cool Hammond, Flute, and Fender Rhodes sounds that his Concerto Midi Accordion produces. Milan is featured throughout the CD with many great guitar solos and licks. Both Johann and Milan take turns singing lead and doing the harmony backup vocals. Adam and Philip take turns laying down the drum tracks.

Recording, Engineering and Mastering of this CD was done by Engineer 'extraordinaire', Brett Lieberman, on a 48 track Pro-Tools system at the Avalon School & Music Center's Recording Studios in Orlando, FL- see [www.TheAvalonMusicCenter.com](http://www.TheAvalonMusicCenter.com) For more information on Europa recordings or bookings visit our website [www.TheEuropaBand.com](http://www.TheEuropaBand.com) Call 407-616-3843 or e-mail us at [info@TheEuropaBand.com](mailto:info@TheEuropaBand.com)
